**From Oxford University Press : Collected Songs Volume 3** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collected Songs Volume 3:

This three volume series comprises the bulk of the solo songs which Vaughan Williams published with Oxford University Press. The songs span his whole long career; from 1869 to 1958. The majority are suitable for medium voice.

About the Author Vaughan Williams has come to be regarded as one of the finest British composers of the 20th century. He has a particularly wide-ranging catalogue of works, including choral works, symphonies, concerti, and opera. His searching and visionary imagination, combined with a flexibility in writing for all levels of music-making,

has meant that his music is as popular today as it ever has been.
