**Collins UK : Collins Little Book of Bananagrams (Collins Little Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Collins Little Book of Bananagrams (Collins Little Books):

0 of 0 people found the following review helpful. Five StarsBy Katiegreat little book full of helpful hints for the game!!1 of 1 people found the following review helpful. Five StarsBy Willie MinkelCool game and with this book you can learn new tricks.1 of 1 people found the following review helpful. Excellent ideas and useful tips!By Miss VI was given a copy of this and was pleased to find that it's written by somebody with whom I used to work! He is excellent at word games, and this little book explains why. It is full of brilliant tips for improving your game, genius

word ideas and also suggestions for other Bananagram games! I'm pretty terrible at word games, but thanks to this book I now have a few top tricks in my arsenal which never fail and my Bananagram game has improved no end! Plus the book itself is a witty and fun read!

Inside this little book, you will discover all the hints and top tips for all day, everyday success with Bananagrams

About the Author Writer and magician DeeJ Johnson is a BANANAGRAMS (R) fanatic! DeeJ serves as a creative consultant at BANANAGRAMS (R) and claims that his former high-school teacher, Janise Marillat, summed him up best in an annual report that said: "DeeJ's cheerful smile often gets him out of difficult situations... Unfortunately, these are usually situations that he creates himself."
