Michael Rymaszewski : Command Conquer: Red Alert Advanced: Unauthorized Advanced Strategies (Secrets of the Games Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Command Conquer: Red Alert Advanced: Unauthorized Advanced Strategies (Secrets of the Games Series):

5 of 5 people found the following review helpful. gooooooooooooooddddBy A Customer This book is pretty good for an unauthorised book. Since me and my friends play red alert alot over network, my tactics and strategies greatly improved after reading some of the many tips in this book. I recomend this book for newbies and people who just keep loosing at red alert.

This is the book that separates the commanders and conquerors from the mere survivors. Get it before your so-called

friends do friendship isn't forever . . . death is. Inside Command Conquer: Red Alert Unauthorized Advanced Strategies you'll find: Advanced information on every unit strengths and weaknesses, combat readiness, and other details Comprehensive strategies and tactics separate sections on the Allies and Soviets plus invaluable intelligence on other armies deployed in multiplayer mode Alternative strategies for many missions Tips on how to maximize your score and rise through the ranks Detailed maps, military intelligence, and more! About the Author Michael Rymaszewski is the author of Command Conquer: Unauthorized Secrets Solutions, Sid Meier's Civilization II Advanced Strategies, and Caesar II: The Official Strategy Guide (Prima).

.com The authors waste no time or space in this advanced player's guide. They jump right in with an analysis of game units and their tactics with little discussion of background. It's an information-rich resource, but it assumes that the reader already has a solid understanding of the game. So read your manual first. In fact, you're likely to get more out of this book if you first play the game and get a feel for its workings. You'll then find this book a high-powered source of information on conducting your campaigns and winning the game, mission by mission. The devil is in the details . . . and we've got 'em all!
