He reinforced another book by Jean Scott, with the importance of a-s-k-ing for what you want. I did this the last vacay and it worked, we were comped our first meal.I enjoyed the book and have re-read it a couple of times.0 of 0 people found the following review helpful. James R. Turbyville I think for an advantage player what is suggested would draw too much attention. I can not understand the premise of losing money to gain comps. Why not win and get comps!

Have you ever wondered what it's like to be among the Las Vegas elite who get treated to free rooms, gourmet meals, shows, even airfare-all compliments of the casinos? Thanks to this book, anyone can take advantage of the secret system that casinos use to determine who gets the freebies. It details everything one needs to know about qualifying for and obtaining casino complimentarys.

Practical, logical, factual, hysterical-a guide to bluffing your way into all-expenses-paid hedonism. -- New Orleans Times-Picayune
