From Alfred Music : Complete Piano Sonatas (1-17), Vol 1 (Belwin Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Piano Sonatas (1-17), Vol 1 (Belwin Edition):

0 of 0 people found the following review helpful. Glad I bought this.By chadI have two other editions of these sonatas but this one has more information about each piece. The print is very clear and large enough that I don't have to strain to read. This edition is edited by Schnabel who is supposed to be an expert on Beethoven Sonatas. So, yes, I am very pleased with this edition.

Re-engraved, corrected editions by Artur Schnabel, with Schnabel's notes and comments in five languages. Volume

One contains Sonatas One through Seventeen and Volume Two contains Sonatas Eighteen through Thirty-Two.
