From Dover Publications : Complete Piano Sonatas, Vol. 2: Hoboken Nos. 30-52 before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Piano Sonatas, Vol. 2: Hoboken Nos. 30-52:

0 of 0 people found the following review helpful. Haydn is underrated and these are great!By Carolyn Smithglad to have these late sonatas.1 of 1 people found the following review helpful. my collection is completeBy emmaThe Dover editions are good editions if you don't want to spend a lot of money. I used to own the Peters edition, but no longer do and as I was rebuilding my score collection could not afford the Peters again. I bought book 1 of the Dover edition last year and was very happy with it, so this year, I bought bk 2. And the Haydn Sonatas are so wonderful! Not as long and intricate as Mozart and Haydn's humor comes through, which makes many of these lovely sonatas quite a joy to play and quick to learn.0 of 0 people found the following review helpful. Five StarsBy Amanda S.Very nice, easy to read.

The towering composer who perfected the early symphonic form and invented the modern string quartet also left his indelible mark on the sonata. During 50 years of inspired creative effort, Haydn experimented constantly with the sonata form, adding a clear thematic structure to the tonal design inherited from earlier composers. This comprehensive new playing edition contains 52 sonatas by the master a treasury of keyboard compositions in which echoes of the baroque and harbingers of romanticism blend with the lucidity and elegance of 18th-century classicism. Here is a remarkably convenient and reliable presentation of more than 50 of Haydn's efforts in the form, from the early divertimento-like sonatas to the masterworks of the later years, culminating in the sublime Sonata No. 52 in E-flat Major. Reprinted in two volumes from an authoritative Breitkopf Hrtel edition, the sonatas are arranged in a chronological sequence based on recent scholarship. Extremely clear and readable, with ample space for notes, this Dover edition is a must for serious pianists, students, and music lovers in general. It is an excellent, inexpensive means to study and savor the inventive daring, freedom, and mastery that Haydn brought to the piano sonata.
