Edvard Grieg : Complete Sonatas for Violin and Piano: With Separate Violin Part (Chamber Music Scores) before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Sonatas for Violin and Piano: With Separate Violin Part (Chamber Music Scores):

Violinists and pianists of intermediate and advanced skills will delight in three charming, melodious works by Norway's most celebrated composer. The earliest (Op. 8, F Major) belongs to Grieg's "Danish" period; the others (Op. 13, G Major, and Op. 45, C Minor) exhibit his characteristic nationalism. Convenient, authoritative collection unites

three works only available separately elsewhere.
