Carl Maria von Weber, Classical Piano Sheet Music : Complete Sonatas, Invitation to the Dance and Other Piano Works (Dover Music for Piano) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Complete Sonatas, Invitation to the Dance and Other Piano Works (Dover Music for Piano):

0 of 0 people found the following review helpful. Five Stars By petergreat job 0 of 3 people found the following review helpful. Not for Wimps By john w. sawyer iii If you can play well (and I can), you'll like von Weber. If not, buy it for your "some day" list. 6 of 6 people found the following review helpful. 5 Stars By pigpig Great works of von Weber especially Invitation to the dance Op. 65 Original with good finger patterns. A nice addition to your collection.

A virtuoso of the piano and a pioneer of musical Romanticism, Carl Maria von Weber (1786-1826) wrote piano music of elegance and grandeur enhanced with bravura technical effects that profoundly influenced later 19th-century piano music. This volume presents virtually all Weber's works for piano solo: the four piano sonatas Opus 24 in C Major (1812), Opus 39 in A-flat Minor (1816), Opus 49 in D Minor (1816), and Opus 70 in E Minor (1822) considered the core of his output; his most popular piano composition, Invitation to the Dance, a waltz later orchestrated by Berlioz and used for the celebrated ballet *Le Spectre de la Rose*; eight lively and engaging sets of variations; and the dazzling *Momento Capriccioso*, *Grande Polonaise*, *Rondo Brillante*, and *Polacca Brillante*. Pianists will enjoy exploring this richly varied collection of piano masterworks, reprinted from the authoritative edition published by C. F. Peters of Leipzig.
