From Ricordi : COMPOSIZIONI VOCALI DA CAMERA SONGS FOR VOICE AND PIANO before purchasing it in order to gauge whether or not it would be worth my time, and all praised COMPOSIZIONI VOCALI DA CAMERA SONGS FOR VOICE AND PIANO:

0 of 0 people found the following review helpful. Glad to have it. By Nancy R. Klingman I'm so glad to have this score. 1 of 1 people found the following review helpful. a.k.a. The Unknown Puccini By Melissa If you are familiar with the very tall and beautiful (though unwieldy) coffee-table book, "The Unknown Puccini," these songs will be familiar to you. It's great to finally have these songs in a more portable/playable form. I still recommend the original book for the biographical and compositional information. 1 of 1 people found the following review helpful. I like the book By

Manuel Castillo I love Puccini's music and a selection of this book's music will be included for sure in my next recital.

(Vocal Collection). This is a collection from Ricordi, Puccini's original publisher, of 11 songs for voice and piano by the great opera composer Puccini. The songs span from his earliest student work to 1921. Though some are more intimate than his expansive opera arias, others are fully operatic in style. The 1888 song "Sole e amore" was later adapted into the Act III quartet in *La bohème*. The edition includes historical notes and English translations for study.
