This book is for the person who will accompany you (on piano) on your solo. Bought along with the Concert and Contest Collection (Solo Bb Clarinet). If you are not having someone play the piano alongside you on your solo, you

do not need this book!2 of 2 people found the following review helpful. Great Collection of SolosBy ClarinetistThe late Jaime Voxman did generations of clarinetists a great favor by compiling this series of solos. I've used this collection in my teaching for many years.1 of 1 people found the following review helpful. great for high school studentsBy mbrickThis book is an excellent collection of accompaniments for high quality solo pieces for intermediate-advanced high school students. There is a good range of difficult level, and the pieces are from the standard clarinet repertoire, although nothing is written for A clarinet, which many high school students wouldn't own.

(Rubank Solo Collection). This top-rated collection of solo literature from the celebrated Rubank catalog is known by teachers and students everywhere.
