From Alfred Music : Concerto for Pots and Pans: A Novelty Featuring Three Percussion Soloists (First Flight Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Concerto for Pots and Pans: A Novelty Featuring Three Percussion Soloists (First Flight Library):

The parts are easy and certainly appropriate for first year musicians (near the end of the school year). Percussion parts are simple and the pots and pans parts could be played by any musician in your band, not just percussion. Definitely a good piece to have in your library for any 1st or 2nd year band.
