before purchasing it in order to gauge whether or not it would be worth my time, and all praised Concerto in C, BWV 594 (Movement I): Part(s) (Eighth Note Publications):

Bach, famous for his organ showpieces wrote a set of concertos for organ to show off his technique and compositional talent. This concerto opens with a series of scales not unlike the Vivaldi Concerto for Two Trumpets. This is a great showpiece for 2 trumpets and organ.
