**From Eighth Note Publications : Concerto in C Op. 9, No. 9 -- Movement I (Score Parts) (Eighth Note Publications)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Concerto in C Op. 9, No. 9 -- Movement I (Score Parts) (Eighth Note Publications):

This concerto is the ninth of twelve set originally for two oboes and strings. With the way it was written this work is more of a chamber piece rather than a duet with accompaniment. Part one and two are the original solo oboe lines with the remainder of the ensemble covering the string parts.
