0 of 0 people found the following review helpful. Excellent Score and PieceBy Nolan D.Corigliano's Piano Concerto is a thrilling, virtuosic four-movement piece for Orchestra and Solo Piano.This score is top-notch. It features the Solo Piano part plus an Orchestral Reduction (written by the composer) including reduced parts and cues. At times, the reduction is split into more than 2 staves to accommodate the other parts. As a result, it is impossible to play all of the accompaniment (but at least it is all written in).While the piece itself is a huge technical challenge with its irregular time signatures and wild, savage piano writing, the score is very clear and concise.

(Piano Large Works). Orchestral reduction and solo part arranged by Corigliano for Two Pianos, Four Hands. 2 Copies needed to perform.
