**Doris Chase Doane : Contest Charts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Contest Charts:

0 of 0 people found the following review helpful. Five Stars By Leeanne N. Pantin Really Helpful

In Contest Charts, Doris Chase Doane shares the secrets of determining winners and losers in a variety of

championship contests, including: football and baseball games; political elections; boxing, golf and tennis matches; individual sports; and awards competitions. The author explains, through the use of extensive examples, how to read the chart for the time a question is asked regarding the outcome of the event. In addition, the importance of the timing and wording of the question are explained in detail.
