Jean J. Reaves : Conventional Wisdom Plus a Comprehensive Guide to Modern Bridge Conventions: Advanced Bidding, Defending and Playing Concepts before purchasing it in order to gage whether or not it would be worth my time, and all praised Conventional Wisdom Plus a Comprehensive Guide to Modern Bridge Conventions: Advanced Bidding, Defending and Playing Concepts:

9 of 9 people found the following review helpful. EASILY COMPREHENDED REVIEW OF BRIDGE FUNDAMENTALS AND CONVENTIONSBy LAWRENCE O'DOULFor bridge players of the intermediate level,

this is a well written and easily understandable presentation of all elements of bidding, playing and defending a bridge hand with a description of conventions played. As a Bronze Life Master, it was wonderful to read a bridge book that was all nuts and bolts that provided fine descriptions of various subjects. Truly a undiscovered gem in bridge books. Just great.0 of 0 people found the following review helpful. Two StarsBy Steve Page (Consignment)Not what I expected.
