Jack Duncan : Conversation Starters For Couples: 100 Fun Questions about Your Relationship (Volume 4)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Conversation Starters For Couples: 100 Fun Questions about Your Relationship (Volume 4):

Looking to start some fun but meaningful conversations with your partner? Trying to reminisce over old memories but struggling to remember them all? Enjoy discussing your relationship dreams and opinions while getting to know each other better? Then this is the book for you! Created to help strengthen relationships with enjoyment, you'll be presented with plenty of opportunities to tell stories, express yourselves and make jokes together! The questions are all about your relationship, your experiences together, what you think and how you feel, so sit back, relax and enjoy some alone time!
