Tracie Young, Katie Hewett : Cool Maths: 50 Fantastic Facts for Kids of All Ages before purchasing it in order to gage whether or not it would be worth my time, and all praised Cool Maths: 50 Fantastic Facts for Kids of All Ages:

Inside this mega-jam-packed book are fifty fact-tastic ways to advance your maths skills so you'll never be outnumbered by numbers again! From core curriculum techniques such as multiplying multiples to calculating calculus and probability and division, right through to working out tricky statistics, formulas and equations on outside of the classroom, Cool Maths will help you work your way out of every day situations in a way that you'll never forget. Other titles in this series: Cool Science, Cool Astronomy, Cool Art

About the AuthorTracie Young is a maths teacher, numeracy coordinator, maths tutor and all-around maths nut. Tracie teaches maths tricks in class to engage her students and sometimes sets them wrong. This is her first book. Katie Hewett is a keen naturalist and the author of Are We There Yet? and You're It.
