There are 180 puzzles with different levels of difficulty. They used a couple of different fonts - I find one in particular rather annoying, difficult to see. Answers in the back. Great for the jumble puzzle lover. Helps keep the mind sharp.0 of 0 people found the following review helpful. that fits my 'bill'By Mildred M. We quite taking the newspaper, as the Jumble was the only thing worth the paper it was printed on. But my husband missed doing the jumble. So I found this and ordered it. Now he can do a daily jumble and I saved a bunch of money on a worthless newspaper.

For more than 40 years, millions of newspaper readers have delighted in solving the daily Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue and one letter from each word is used to form the answer to the puzzle.
