Editors of the Guardian : Cracking Kakuro before purchasing it in order to gage whether or not it would be worth my time, and all praised Cracking Kakuro:

If You Like Sudoku, You'll Love Kakuro!Kakuro is a brand-new number logic game made for fans of sudoku who are

ready for something different. Its a little more challenging than sudoku, and its overtaking sudokus popularity in Japan and England. In kakuro, you start out with a completely blank grid, just like a crossword puzzle. Only to ace these puzzles, youll have to use all the skills youve been sharpening with both crossword puzzles and sudoku puzzles. Add into the mix logic and a tiny bit of math (but nothing scary!) and youve got a highly absorbing and incredibly satisfying puzzle game that is just as addictive as sudoku. Cracking Kakuro gives you 100 of these fun and challenging puzzles, plus all of the rules for play and one puzzle thats explained step by step. Theres also a table of Unique Digit Answers, which offers a shortcut to success and will help you add up numbers in your head! A great gift for any crossword fan or sudoku addict, Cracking Kakuro is the perfect introduction to the newest puzzle craze.
