Debra McBride : CRASH BANDICOOT 2, TUG (Bradygames Strategy Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised CRASH BANDICOOT 2, TUG (Bradygames Strategy Guide):

2 of 14 people found the following review helpful. very colorfulBy A Customerheeeelp I need the first Crash Bandicoot stratgy guide. I'm even willing to buy an used one!!!! thelgeland@madison.tec.wi.us0 of 18 people found the following review helpful. it got one star because I can't read it without buying itBy A Customerwell i already typed a review above so why are you asking me to type another one. For this outrage I will take another star off of my review and never write another review

The Crash Bandicoot 2 guide gives players complete walkthroughs for the entire game. Boss strategies, all the puzzle pieces and tons of secrets! Crash 2 is much brighter and more colorful. New, higher-detailed bitmaps litter the game and provide each level with its own distinct look and personality. Character animation is also much better including over ten times more frames of animation, offering a lot more moves like hanging, climbing, ducking and belly-flopping. Gamers now have the ability to warp to each level whenever they choose, so if you're stuck on a certain area, you can just skip it and come back later.
