The Guide's Exactly Like This GameBy A CustomerMy sister was the one who got the game in 1998, but then she beat it 100% and gave it to me (But took her memory card.). I completely love this game, and had problems on some of the Bonus Rounds and finding Colored Gems. But, this guide contains everything you need to know. Soon enough, with the help of this guide, I got 105%! That's right, after you get everything you can there's extra levels that boost your percentage upwards. But, this review's not about the game, so let's talk about the guide.The Good:- Every Move for Crash and Coco is Shown.- Awesome tips for every boss, like the madman Ngin.- Walkthroughs of every level, getting most out of your way.- Every character and secret shown.- All hidden paths exposed.- Funny jokes to laugh out on as you play the game.The Bad:- Sometimes puts jokes where there could be

hints.- Could have maps in it. With this guide, you'll become a master of time! 1 of 5 people found the following review helpful. ?By A Customer I would think Crash 3 is a great game. I own it and i'm not just saying all this good stuff about it because I own it, I'm saying this because I think everyone who has a playstation game console should buy this game. You can do way more than what you could do in the first 2 crashes, and you do the same as the first two crashes. My friend says that people took a poll over Mario, Crash and Sonic. Mario won, but I don't care I will still always like Crash. I think people who have N64 shouldn't stay on the dark side and come over to the good side and buy Crash. Try it. You'll love the game!

Crash and Coco conquer Cortex! Learn how to play as Crash or his sister Coco with Crash Bandicoot 3: Warped Prima's Official Strategy Guide. Every new secret, power-up, path, and character is revealed! Race through the game with all of Crash's classic moves along with a slew of new ones. Defeat every boss every time with the detailed how-to! And for those of you who really need help there's a step-by-step walkthrough along with beautifully-colored pages with official images straight from Sony. This guide reveals: Every Crash and Coco move Tips on defeating every boss Blow-by-blow crash-throughs of every level Each secret, power-up, and character revealed All hidden paths exposed

.com Crash Bandicoot, one of the most popular stars in the world of video games, is back for another adventure on the Sony PlayStation, this time with his sister, Coco. With Prima's guide to the game, you'll learn each and every one of Crash and Coco's special moves, along with detailed instructions for fighting and defeating every boss in the game. The book is well written and filled with lots of illustrative screen shots that should help you guide Crash and Coco past some rough spots. You'll find a complete walkthrough of the game, along with a guide to every hidden path and secret. The book also covers each of the characters in the game and offers tips for improving your time-trial performance on certain levels. --Michael Ryan Crash and Coco conquer Cortex!
