It is fantastic for hints, etc. It's like any other guide book, or should I say good guide book. It will definately help you out when you need it.As with anything, shop around on prices. I think all of these guide books are a little over priced, but that's just my opinion.10 of 12 people found the following review helpful. CTR: Strategy Guide reviewBy A CustomerThis Prima strategy guide will give you the goods on how to defeat Nitrous Oxide and all the other bosses to this kart racing title. There are solid in-depth maps and strategies to all tracks including how to unlock the secret arenas and characters. The guide shows you the way, however it's up to the player/reader to execute.2 of 2 people found the following review helpful.
