From Penny Publications LLC : Crazy for Sudoku Maximum Edition Puzzle Book-Vol. 36 before purchasing it in order to gage whether or not it would be worth my time, and all praised Crazy for Sudoku Maximum Edition Puzzle Book-Vol. 36:

0 of 0 people found the following review helpful. Sudoku is good exercise for the brainBy shelleySudoku is good exercise for the brain. i have purchased other Sudoku books that claim to be challenging at first they seemed to be, then i began to see a pattern that canceled the challenge, I really like these books, they range from easy to hard and then challenging, and for me the hard are hard, and the challenging are challenging, I order two of the same books so my husband and i can race.
