James Dykes : Crossword Busters before purchasing it in order to gage whether or not it would be worth my time, and all praised Crossword Busters:

3 of 3 people found the following review helpful. Crossword Busters : Easy to useBy A CustomerThis is the best-organized book you can find to get you out of a jam like Sunday, December 26ths New York Times clue asking for the

capital of Romania. With this book, all you do is go to the letter "C", scan down to "Capital of ___", and alphabetically down to "Romania" where you find the capital is spelled either LEI or LEU, and LEU works best. If you want the names of cities along a certain river like the Rhine or the Rhone or the or the Mississippi, you simply go to "City on the ___" and there you are. It couldn't be easier. Try the book --- you'll love it (and learn a lot, too)
