John Enock : Cryptic Cross Numbers (Tarquin) (Tarquin Pop Up) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cryptic Cross Numbers (Tarquin) (Tarquin Pop Up):

Extending the principle of cross numbers, these puzzles aim at those of above average mathematical ability, particularly those who enjoy games of strategy. Written from a classroom perspective, the puzzles focus on key aspects of the curriculum and are graded according to difficulty. Solved deductively, the puzzles difficulty can be moderated by using hints provided. Answers are also provided for teacher or selfmarking.
