I check my work at times and the names I don't recognize and cat finish I look at the solution to verify when done with the puzzle. This particular book I have found a different puzzle solution from the puzzle itself. So no solution to compare. Puzzles 72 and 86 so far have a different solution 0 of 0 people found the following review helpful. Correction To Hint Key For Quote 86 By Kes A good puzzle book with good quotes. The type selected is not overly user friendly for cryptogramming, but usable. On puzzle 86, the hint key and answer key are incorrect. Alternate hints to use: x=c c=q

"I order cryptoquotes all the time. So far, this is the BEST one I have come across. It is very well put together, offers a wide variety of entertaining quotes and two separate clue options to consult." ~ X-tinaG "Good sized book. Enough space to write your solutions. Very good puzzles, can be challenging - due to the fact that sometimes a letter is the actual letter in the solutions. An 'e' in the jumble MAY be an 'e' in the actual word!" ~ ANDRE

CHIASSON Cryptogram Puzzles: Cryptoquotes Puzzle Book Warning: This book has Cryptograms where some alphabetic characters are replaced by themselves. For eg. an "e" may be replaced by an "e". This is to make cryptograms interesting to solve. If you are not used to this, please refrain from purchasing this book. Cryptogram puzzles can be fun and challenging. A cryptogram is an encoded quote or a famous saying. The challenge is to decrypt it using common sense, logic, determination, and a bit of luck. This book is a collection of 606 cryptoquote puzzles selected from famous wise, funny, witty and entertaining quotes by the world's most influential personalities. This puzzle book can be used by a beginner to an experienced person; by a 10 year old to an 80 year old senior. And if the cyphers are challenging any time, we have included two sets of hints after the puzzle section for easy reference. Large roomy easily readable fonts and plenty of space between lines have been used to print each cryptogram quote. Please use pencil to fill in solutions lightly. This giant book of puzzles also contains the solutions to all 606 cryptograms as well at the end. And do not forget that this Beautiful Book of Puzzles is a perfect value present that will pass the time while exercising the brain! and last a long time too.
