I must admit I've worn out several erasers doing the flower puzzles and there are twice as many of them as the other two varieties - but it's nice to have something different to do!2 of 2 people found the following review helpful. Unique challenging sudoku variationsBy DerbyI always look for new puzzles by Djape, it seems he is constantly reinventing the basic sudoku puzzle, coming up with new challenging variations on the original puzzle. Puzzles range from easy, which allows you to become familiar with the unique rules of the variant, to extremely challenging, all are fun!

Sudoku devotees can spice up their solving with these three fun twists on the popular puzzle!
