Great to See Old Friends, Bands Venues AgainBy ZapJThis book is an excellent overview of the DC Metro Area punk movement in the early years. I was pleased to see so many of the original local bands included. Lots of photos and gig posters. Great book!1 of 2 people found the following review helpful. Essential Reading for DC Hardcore fansBy Chris FranczThis books is crucial for fans of the DC scene and all of the people and bands involved with Dischord Records. Reading this book I learned about the context in which the lyrics of those bands were written. This book is like the glue that pulls all of the DC puzzle pieces together. NOW I understand the situations that gave birth to the way so many of those people were thinking. This book clears up a lot of mysteries for me. Seriously, I had a hard time stopping once I started reading. I can't recommend this book enough for people who are true fans of all things Dischord. The authors did an amazing job pulling all the pieces together. I'm so happy that I got this book.
