This is not a full score for piano like I thoughtBy Chad A OliveraThis is not a full score for piano like I thought, my mistake, but the description is misleading. Nor does it ever really tell you what it is on the inside. I know the music well enough to know at sight what is contained in its scant 28 pages, a suite of course, but there is no identifying factors. Oops.2 of 2 people found the following review helpful. Not the complete piece.By NFBThere is not a piano score of the full piece as titled, only fragments/selections. A full piano transcription exists but this is not it. One star because it's approximately one fifth of the piece.

This book presents the complete score for Joseph Ravel's 1912 solo piano composition, Daphnis et Chlo. Joseph Maurice Ravel (1875 1937) was a French pianist, composer, and conductor. He is considered to have been a

significant figure within impressionism together with Claude Debussy, and he was hailed as France's greatest living composer during the early twentieth century. Ravel's music is famous for incorporating elements of baroque, neoclassicism, and even jazz. With wide margins and clear note heads, this modern, high-quality edition is ideal for following the music, and it would make for a fantastic addition to collections of allied literature. Classic Music Collection constitutes an extensive library of the most well-known and universally-enjoyed works of classical music ever composed, reproduced from authoritative editions for the enjoyment of musicians and music students the world over.
