David Oconner : Dark Souls II: Starter's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Souls II: Starter's Guide:

0 of 0 people found the following review helpful. One StarBy mwraigits worthless to learn how to play game0 of 1 people found the following review helpful. Sorry..... first off this ...By CustomerSorry.....first off this game is really visually stunning but just too difficult for me.....This guide gives you the barest minimum of assistance but it does help a bit.....just enough to let you realize that the game is almost impossible to play.....

Dark and unpredictable, this game will require your patience more than the first one did. Without waypoints and quest logs, the seamless environment of the game forces the player to head out in the eerie place based on instincts and strategize differently in unpredictable areas. This starter guide will help ease your way through the twisted world of Dark Souls II.
