Inc. Acclaim Entertainment : Dave Mirra Freestyle BMX 2: Prima's Official Strategy Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dave Mirra Freestyle BMX 2: Prima's Official Strategy Guide:

2 of 2 people found the following review helpful. Useful...but not a walkthrough. By FWI bought this strategy guide assuming it would contain walkthroughs of every level and strategies for each level. However, this book does not truly contain walkthroughs. Sure it tells you where the items are and a helpful little snippet for each proquest stunt (its in the back of the book not with the level maps), but it is still far from a walkthrough. Also the maps don't look very professional and neither does the layout of the book. However, it does have its strong points and did show me how to get all the gaps. But it is not the most useful book ever. Hint (not in book): The strat guide does not tell you the cheap way to get off 4-100 trick combo's. Simply do a nose manual, and then jump (x button) and then do another nose manual before you land. Rinse and repeat as wanted and you've got a cheap combo. 0 of 0 people found the following review helpful. Wish my girlfriend would take a break from playing it! By A Customer Complex levels, challenging

tricks and very very diverse in overall gaming experience or opportunities here. Much better than the x-rated version of this game. This will be a classic for a long time and much kudos to its makers for being as thoughtful as they were in its creation!

Respect the Ride, not GravityGrab your bike, strap on your gear and get ready to re-enter Dave Mirra's world in Dave Mirra Freestyle BMX 2. Create the BMX experience you want to have with the only extreme sports video game to feature 10-time world champion and II-time X-Game medalist, Dave Mirra. It's time to re-enter Dave Mirra's world...It's time to show the competition what you've got...It's time to ride. Inside this guide you'll find: A special introduction written by Dave Mirra. Biographies of all 14 BMX riders. All available bikes for each rider. Detailed explanations of the NEW, 'Park Editor' mode. Hints and tips on using the new SIK trick system to create tricks. Step-by-step walkthroughs of all the huge game-play levels. Competition strategies for all 13, super-competitive multi-player games. Exclusive hints and tips straight from Acclaim Entertainment's Quality Assurance Dept. and the game designers at Z-Axis.
