Word-search puzzles with tricky twists (and turns)! Puzzle master David L. Hoyt presents Word Winder, an innovative new puzzle that combines the thrill of word searches with dynamic, multidirectional gameplay. Hunt for words that slither, meander, and word-wind their way up, down, and side-to-side through deceptively simple-looking grids of letters. Grab a pencil and see if you can wind your way through these challenging new puzzles from the mind of David L. Hoyt.
