BradyGames : Dead Island: Riptide Official Strategy Guide (Official Strategy Guides (Bradygames)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Island: Riptide Official Strategy Guide (Official Strategy Guides (Bradygames)):

0 of 0 people found the following review helpful. i was having trouble with this game so i went ...By alexis diazi was having trouble with this game so i went after the guide to help me in some parts that i had trouble with5 of 6 people found the following review helpful. a mostly solid game guide with a few drawbacksBy Mindful Consumerfor anyone else out there who had the game guide to the first game, we know it was good, but not fantastic. that being said, this guide seems a little better than the first, but still with a few weird issues.the chapters are as follows:game basicspalanaai guide to zombie watchingwalkthrough (198 pages of the guide is dedicated solely to this)team questswapon craftingcollectiblespoints of interestco-op playachievements and trophiesthe game basics are helpful, both to

newcomers, and as a refresher to anyone who has played the first game. the character outlines are great, especially for the new character. if you played the first, you can import your original character to the new game at the level you were at, with all the skills you had invested in. if you choose not to do this and start fresh with the new character (who looks pretty great), you apparently get 15 points to spend right off the bat. the enemy listing is fantastic. it's always nice to know their weaknesses. the walkthrough is solid. it is filled with decent sized photos so you can see what the text is referencing. some guides print impossibly small photos along with the walkthrough, and i can safely say this guide does not suffer from that issue. i really enjoyed the weapon crafting section. not only does it have a full list of blueprints, but also where or how you obtain them, as well as what is required to craft them. this will prove to be invaluable along the way. the collectibles section is fantastic. numbered items on the map show exactly where you will find them. the points of interest section was a nifty addition. you will find, in a concise map and accompanying text listing, where all kinds of things are (i.e.: mods, med kits, different types of zombies). i am sure i will be referencing this section quite a lot as well. the only section i really felt let down by was the challenges and achievements section. under challenges, it will say something like 'cut off %s heads,' only it REALLY says '%' and not an actual number. perhaps this is due to people being able to import previous leveled up characters, therefore the numbers would be different, but nowhere does it explain this. also, the achievements and trophies page is crunched up into just about half the page, the rest being left blank. the text is pretty darn small, so i wonder why they didn't take advantage of the full page? in addition, it doesn't reference page numbers to assist with any of the achievements or trophies, so you have this list, and nothing more. my other minor beef is there is no index. i feel like this is a small thing that can be tremendously helpful, yet we see it in so few guides. boo. all in all, the guide is mostly terrific, and i would still recommend it to anyone looking to maximize their game. i'm certainly glad i have it! 1 of 1 people found the following review helpful. Perfect! By Akera Perfect! Exactly what I needed for my game in order to get all of the achievements!

THERE IS NO ESCAPE Just when you thought you'd made it out, the nightmare was just beginning. **Maps** - Detailed maps of Palanai, including interior structures not available in the game. **Chests** **Dead Zones** **Quests** **Points of Interest** **Collectibles** **Secret Files** **Guides** **Diaries** **Postcards** **Recordings** **Co-Op** **Multiplayer** - Palanai is twice as fun with friends. Take advantage of our co-op based tips, Survivor build strategies, and team quest section. **Comprehensive Walkthrough** - Lead every Survivor through the monsoon-drenched island of Palanai, completing every quest and finding every collectible. **Zombiepedia** - Every shambling, sprinting, screaming, toxic, fire, bile-filled, vomit-throwing undead piece of dripping flesh is covered, including Dead Zone bosses. **Survivor Guide** - Every Survivor's skill tree is broken down with leveling advice, and detailed descriptions of ability advantages, powerful Rage abilities, and introductory builds.

About the Author **BradyGames**, an imprint of DK and a division of Penguin Random House Inc., is the world's leading publisher of strategy content for PC and console video games. BradyGames understands what gamers both casual and hardcore want and need from strategy guides.
