Chris Kullstroem : Deadly Roles before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadly Roles:

0 of 0 people found the following review helpful. Five StarsBy CustomerGood read interesting. Book0 of 0 people found the following review helpful. Creepy funBy Mark MuncyAs an RPG fan I picked this up for one off game nights. I was not disappointed. Smartly written and a great buy. Your friends will die having a great time.1 of 1 people found the following review helpful. Divine Deadly RolesBy meccaA must-read for those who enjoy hands-on murder mystery games and all things macabre! Participants explore one of seven murder mysteries, all of which encourage participants to take on their own "deadly roles." After providing a brief historical context for each game, Kullstroem

introduces characters, settings, missions, and an overview of how to adapt the game to fit your needs (games can be customized for small group play or party style format). From "Surviving the Plague"--in which participants search bodies and collect clues--to "Straight from the Underworld: A Reverse Murder Mystery," each game keeps players wanting more. Wonderfully comprehensive, this book has all of the tools you need to plan and execute your own murder mystery event.

Deadly Roles: Interactive Games of Murder and Mystery is a collection of seven interactive murder mystery games in which players take on character roles, search for clues and solve mysteries in Halloween-party settings. Games are themed on different ways death has been regarded from the Middle Ages to the present, and the impact these views still have on daily life as a result. These mysterious topics include the plague, death omens, alchemy, funerals, Underworld legends, graveyards and legends of the undead. Each chapter and game contains character backgrounds, game materials such as Spell Books, Alchemy Books and Books of the Undead, instructions for setting up deadly atmosphere and rules of play. In addition, each game in **Deadly Roles** is written in story form to be enjoyed from the safety of ones living room in addition to being brought to life through a party.

About the AuthorChris Kullstroem is a life-long Halloween, horror and monster buff. Always on the lookout for books that focus on fun Halloween outings, monstrous games and other adventures that may risk your immortal soul, she decided to fill the void and make some of her own. Chris graduated from the University of Connecticut in 2004 with a degree in English and Philosophy. She lives in Norwich, CT and is currently working towards a Masters in the Philosophy of Prevalent Fears.
