**From Alfred : Debussy -- 12 Selected Piano Works: Book CD (Alfred Masterwork CD Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Debussy -- 12 Selected Piano Works: Book CD (Alfred Masterwork CD Edition):

2 of 2 people found the following review helpful. Heed warnings of possible flawed batchBy Steve DI'll repeat what the first reviewer said 8 months ago. The particular copy I received, like his, contained duplicated and missing pages. Someone needs to pull the entire inventory and get corrected copies from the publisher. This item should not still be for sale as long as flawed copies are being shipped to customers.1 of 1 people found the following review helpful. Missing pages in this batch!By MikeI have bought 2 copies of this music in the past two weeks from - pages are

missing entirely, some are duplicated and Golliwog's Cakewalk is not in there in full. There is obviously a printing issue with this batch of books. No issues returning it, but I'll try to find this elsewhere as I expect another one will have the same problems.
