### **From Alfred : Debussy -- An Introduction to His Piano Music: Book CD (Alfred Masterwork CD Edition)**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Debussy -- An Introduction to His Piano Music: Book CD (Alfred Masterwork CD Edition):

1 of 1 people found the following review helpful. Got to Love Debussy!! By Diane Schulbach I already had this music book from years ago, and love, love, love Debussy so much! When I saw that a CD came with this copy, I just had to order it! It's really wonderful to have a music CD that matches the book perfectly, so you're not scrambling around on

You Tube, or waiting for your teacher to play the piece to hear the "perfect" rendition.0 of 0 people found the following review helpful. This book was recommended by my piano instructorBy piano990This book was recommended by my piano instructor. It's a nice introduction to Debussy.The front matter has good explanations of Debussy's philosophy and a nice description of types of pedaling. The book includes a couple of cake walks and some other pieces that seem to me to be "non-Dubussy" . Of course it contains Clair du Lune.1 of 1 people found the following review helpful. Love Alfred Editions.By JayI think Alfred is always a safe bet for good editing, and this was no exception. A good variety of his more known works, as well as a few not so famous pieces.

This collection of Debussy's popular intermediate pieces includes "Clair de lune," "Reverie," "Le petit ngre," the complete "Children's Corner Suite" and other works. The introductory pages discuss symbolist poetry, French Impressionist painters and Debussy's musical style. A variety of photographs taken throughout the composer's life are also included. The Alfred Masterwork Library CD Editions conveniently combine each exceptional volume with a professionally recorded CD that is sure to inspire artistic performances. 64 pages. Pianist Scott Price is the chair of the Piano Department at the University of South Carolina and holds a doctorate in piano performance from the University of Oklahoma. He has given master classes and recitals throughout the United States and Southeast Asia. His recordings are featured in Alfred's Premier Piano Course.
