**Claude Debussy : Debussy / Claire de Lune** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Debussy / Claire de Lune:

4 of 4 people found the following review helpful. Good arrangement By H. Gurule Good print on quality paper but page turns don't always make sense. I have another print of this music with much better page turns. 0 of 0 people found the following review helpful. Printing quality is terrible. It's very fuzzy and mushy By David Printing quality is terrible. It's very fuzzy and mushy; note beams are mashed together so they all look like 1 beam instead of 3. Maybe it's just my copy, but I returned it. 0 of 0 people found the following review helpful. Five Stars By Tiffany Storrer great

The original, unedited, unsimplified version of one of Debussy's most popular piano works. This ethereal, flowing

section of "Suite Bergamasque" is diatonic and displays a conventional harmonic vocabulary in D-flat major. The title, "Clair de lune", suggests a relationship to Paul Verlaine's eponymous poem, describing a vision of long-dead dancers in the moonlight. The music transmits the otherworldly, transparent, and impalpable qualities of the experience while maintaining clarity and definition. Perfect for the burgeoning late intermediate pianist.
