1 of 1 people found the following review helpful. Stories you would like to read aloud.By HJLDennis Sinar has captured "characters and cultures" and has blended the theme of similarities of people. Through his use of language, as expressed in Southern culture, he allows his characters to retell their stories in a natural dialog with the reader. As a lover of stories that are enhanced when read aloud, I was delighted to discover this author. A great addition to my

personal library and a great gift for my book club. 1 of 1 people found the following review helpful. A wonderful collection of short stories! By N. Faussett A wonderful collection of short stories.. characters are endearing and memorable A thoroughly enjoyable read! 1 of 1 people found the following review helpful. Great read. Wonderful story telling By CLINT ROWLETT Great read. Wonderful story telling.

A collection of short stories about a fictional Southern town, Marsden N.C. Humor, foibles and heartwarming stories make the town real and the inhabitants memorable characters. The characters move through their days in a small town a daughter learns a secret about her dead mother, women goes through the stages of love, hopeful, love found and just as quickly lost. Roger learns something new about his wife's Jimmylegs and offers fine points on judging a chili competition.

About the Author This book came about because of genuine characters in a small southern town. Their stories, mostly true, highlight aspects of Southern personalities. Most regional short stories highlight qualities of northerners, but this book describes the humor and feelings of residents of a small southern town. The model is of Garrison Keillor's many novels about Lake Wobegon.
