Definitely AwakendBy kmoore20Having read his books years ago something made me look him up just recently and I found these new books and I'm glad I did. This book was good. Written very well just like I remember. Flowed so well. The sex scenes were of the hook. Had lots of drama and I like

how he just dropped Mnage in there. On to the next one.0 of 0 people found the following review helpful. Nude Awakening!!By Me'Tova HollingsworthThis was the first book I've ever read by Victor L. Martin, and let me say that I am now a fan. He is now at the top of my favorite authors list. I will be putting his other books on my To Read List. I was awakened by the nudity in Mr. Martin's book. Let's just say that Trevon is really packing, and the ladies can't get enough of that pistol!!! All jokes aside, I was glad that Trevon and LaToria AKA Kandi were able define and find true love for themselves. They both had a rocky childhood, and never knew what true love was until they found each other. I knew from the start that Trevon and Kendra would hookup. For a minute I thought they might end up together. I saw where Swagga had relized the mistakes he had made with the women who really loved him, but I had to admit that I was shocked to find out that Swagga actually went back to Kendra. Yaffa and D-Hot coined the pharase "every man for himself". Cindy and Chyna find out the hard way that you can't setup people and get away with it. All and all this book was well written and the scenes were very discriptive. I felt like I was there. It wouldn't hurt for Martin to write a second part to Nude Awakening. I'd like to see how well LaToria and Trevon make out in the real world. Nude Awakening (Wahida Clark Presents)1 of 1 people found the following review helpful. Excellent Work!!!By amcburtVictor, you really let it flow with this one. With the Game of Deception, you were on point but this one had alot more excitement. Your Menage's trilogy was a good work and made a reader want to continue to want more to come also. The character in this one really played their parts and kept it real. The ending kind of left you hanging so I know there got to be a Part II to complete the ending. All must say you have got mad skills with the writing and we look forward to your future works in progress. Thanks for keeping it real and to the point.

After pulling a fifteen year bid, thirty-three year old Trev is out to get back on his feet. His mind-set is not focused on the quick come up by reverting back to the streets. He has his mind set on using his body and handsome looks to tap into the porn industry and earn a living as an adult film actor. Needing cash, he takes his talents to South Beach to be a porn star. Trev s arrival at Amatory Erotic Films has all the girls buzzing, including CEO Janelle Babin. She believes filming the first sex a male prisoner has had in 15 years will be a huge hit, and Trev is her guy. Everybody wants him, including his housemate, Ayelet, and her 46-year-old mother, Michelle! Since he s passed around like a plate of hors d oeuvres, jealousy has to happen. Trev will learn quickly how times have changed since his decade and a half incarceration. His life will spin out of balance due to drama that he can t control. Sex, lies and pure lust will overwhelm him until he is forced to face reality . . . or face a nude awakening.

Male fantasies play out in this street tale with one of the catchiest titles around. THE VERDICT? Steamy, hot, passionate, outrageous sex is all over Martins novel! --Library JournalAbout the AuthorAuthor Victor L. Martin, aka Mr. Hood Legend first entered the urban lit scene in 2004 with his novel A Hood Legend followed by Menage's Way, For the Strength of You and Unique's Ending. He is also a collaborator of two anthologies, Even Sinners Have Souls Too and What's Really Hood! After a brief stumbling block he was forced to challenge his right to write against the North Carolina Department of Corrections and its meaningless policy. Claiming victory was only the beginning for Victor L. Martin and his path towards a bold emergence. Victor is currently housed in a North Carolina prison serving a 23 year sentence. As of date he only has 7 years left before he will regain his freedom. He was born in Richmond, VA, July 25, 1975 but raised in Selma, NC and Miami, FL. He is single, remaining focused on his books and staying positive through his gift of writing.
