Russell Campbell : Observations: Studies in New Zealand Documentary before purchasing it in order to gage whether or not it would be worth my time, and all praised Observations: Studies in New Zealand Documentary:

From the picket lines of industrial conflict and the occupied ground of Maori land-rights campaigns to the stormy

skirmishes of womens liberation and disputed histories of the New Zealand Wars, this discussion describes how documentary filmmakers have helped forge a sense of national identity among native New Zealanders. The evocation maintains that these dedicated documentarians have also carried on preserving the work of the countrys artists, poets, and Kiwiana exponents as they struggle to express the meaning of life in their home country. Comprised as a series of dispatches from the front line of filmmaking, this record highlights an adventurous art form, celebrating its role in a colorful countrys milestones.
