SALLY GRINDLEY : One Hundred Years of Cinema (Kaleidoscopes) before purchasing it in order to gauge whether or not it would be worth my time, and all praised One Hundred Years of Cinema (Kaleidoscopes):

0 of 0 people found the following review helpful. Learning and motivational tool. By Richard McGonagle Great tool to introduce a young person to the motion picture industry. Gave one as a gift to the son of a mutual acquaintance who is now pursuing a career in the entertainment industry. I think this book motivated him a little.

One Hundred Years of Cinema tells the fascinating story of the movie industry, from the magic lanterns of the 1800s to the amazing special effects employed by modern directors and gives the inside story on how films were made. '
