Roger Moore : One Lucky Bastard: Tales from Tinseltown before purchasing it in order to gage whether or not it would be worth my time, and all praised One Lucky Bastard: Tales from Tinseltown:

5 of 5 people found the following review helpful. Roger Moore lovers enjoyed Moore's first memoir By Kujifanya Jina Roger Moore lovers enjoyed Moore's first memoir, "My Word Is My Bond," and clearly the publishers attempt to cash in on that love with "One Lucky Bastard." Moore is a delightful bon vivant, but this book contains a few too many funny stories about virtually unknown British actors to work well. When Moore recounts funny moments with major stars, such as Lana Turner and Frank Sinatra, the stories work well. Moore copies David Niven here, the

raconteur actor who wrote an excellent memoir entitled "The Moon's A Balloon," and then followed it with a lesser tome, "Bring On The Empty Horses." History repeats itself. That said, the book is a pleasant diversion and Moore is very funny when he's ratting himself out with self-deprecating wit. 2 of 2 people found the following review helpful. Interesting insight from ex 007 By FJK1138 Roger Moore is almost too much of a gentlemen to be sharing stories about other Hollywood types, but what's there is definitely interesting and funny. 0 of 0 people found the following review helpful. Another Bond, James Bond By Richard Hodgson Gives a different outlook on Hollywood stars of a different time. Always enjoyed Roger Moore.

In a career that spans over seven decades, Roger Moore has been at the very heart of Hollywood. Of course, he's an actor and has starred in films that have made him famous the world over; but he's also a tremendous prankster, joker and raconteur. Despite the fact that he is well known as one of the nicest guys in the business, on and off the screen he has always been up for some fun. In this fabulous collection of true stories from his stellar career, Moore lifts the lid on the movie business, from Hollywood to Pinewood. One Lucky Bastard features outrageous tales from his own life and career as well as those told to him by a host of stars and filmmakers including, Tony Curtis, Sean Connery, Michael Caine, David Niven, Frank Sinatra, Gregory Peck, John Mills, Peter Sellers, Michael Winner, Cubby Broccoli, and many more. Wonderfully entertaining and laugh-out-loud funny, these extraordinary tales from the world of the movies is vintage Moore at his very best.

It's a breezy memoir filled with amusing anecdotes, including a delicious one about Joan Collins. (Daily News) As you would expect from an actor who's never taken himself too seriously, One Lucky Bastard is charming and breezy, full of anecdotes, self-deprecating observations and salutes to many great actors who are no longer with us. . . . I loved every minute of it. (New York Post) "Roger Moore is as debonair on the page as he is on screen."
