**Deedra Lavon : Origin King: The Rise and Demise of a Renegade Pharaoh** before purchasing it in order to gage whether or not it would be worth my time, and all praised Origin King: The Rise and Demise of a Renegade Pharaoh:

0 of 0 people found the following review helpful. A joy to readBy CustomerOrigin King is a good story which serves as a canvas for the great history of Egypt. Lavon's prose is simply wonderful. Her narration creates a mental picture of

the story and gives you deep insight of the culture of Egypt. The way Lavon describes the love between the King and Queen is something that is very rare to come across during these times. One can get great inspiration from reading this book. Lavon is a new author for me but I will definitely be on the look out for any new future products she comes out with. 0 of 0 people found the following review helpful. Great story, I've never read a story with so ...By CustomerGreat story, I've never read a story with so much love for family and self. It a combination of love, religion, politics, wealth and the ability to stay on a path that's been designed solely for you. Very slow read in the beginning but it takes off and grabs you and doesn't let go until the end, leaving you wanting more.

Imagine ancient Egypt: the people, the culture, the sisterhood, the brotherhood, the gods and goddesses and the power One man with his queen challenged it all.

About the Author Deedra Lavon learned very early how powerful words could be. She started writing her thoughts and feelings at the age of nine, graduating to stories at the age of thirteen. It was during her attendance at the Art Institute of Atlanta, however, that she discovered her voice. "I have the spirit of a goddess and the heart of a queen. I can inspire by expressing my real truths and my whimsy dreams. When I write, my purpose is to illuminate a deeper and much more vulnerable side of myself through my characters along with telling their stories. As I continue to grow and learn, so will my characters. My hope is that those who take interest in what I write are able to experience the beauty of intelligence, the wonders of the universe, the unification of family, the strength of true love and the whimsical nature of the freedom to be."
