HunterAn outstanding author and filmmaker; a description that will never reach the depths of humor, humanity, and talent shown in EVERY film, and writing, from documentary to slapstick comedy. Mr. Garzone is a true talent, never a moment lost when engaged in his work, in his world. 2 of 2 people found the following review helpful. following review helpful. Ha-ha gator gator suppy din din By Samantha You're a fool if you don't buy and read this. Christian is a man of many talents. He really shows his wit and charm in this little gem. I'm only a few pages in and I'm constantly laughing!! Definitely a good buy!

A filmmaker with a puzzling past fulfills his fantasy of shooting his own TV series in 1987 Tallahassee. The direct to video show "Panhandle Heat" is horrible, yet those involved refuse to see it that way. As the main character's world begins to crumble, he and his crew stay convinced they are changing television forever and in the process, might have done just that.
