Peanuts Worldwide LLC : Peanuts 2017 Day-to-Day Calendar before purchasing it in order to gauge whether or not it would be worth my time, and all praised Peanuts 2017 Day-to-Day Calendar:

The comic takes up about 1/4 of the overall page which was initially a little surprising but left plenty of space for writing to do lists and such. The comic is a good size for cutting and pasting elsewhere. She indicated that she has been cutting the comics and posting them along her cubical at work. She said she appreciates a gift that gave her something to look forward to every day. 0 of 0 people found the following review helpful. Print is SUPER small By Renee CI like this desk calendar and think that it is super cute, but the print is WAY, WAY, WAY too small. I expected the cartoons and print to be big enough to read without putting each page two inches from my face. Other than that, I don't have an issue with it. 0 of 0 people found the following review helpful. I bought this for my Mom, she LOVES Peanuts ... By David Baertsch I bought this for my Mom, she LOVES Peanuts and smiles every day... there is nothing I could ever find wrong with that!

Whether it's Lucy and Linus squabbling, Charlie Brown desperately trying to win a baseball game, or Snoopy trying to defeat the Red Baron, the PEANUTS gang never fails to entertain. The PEANUTS 2017 Day-to-Day Calendar contains a year's worth of laughable, full-color comic strips featuring all the beloved PEANUTS characters in their

always-entertaining escapades.
