**Stephan Pastis : Pearls Gets Sacrificed: A Pearls Before Swine Treasury** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pearls Gets Sacrificed: A Pearls Before Swine Treasury:

So many of the older strips are reruns from decades ago, or their authors retired far too early (you know who I am talking about!), and many of the current ones are just... not... funny... This one however, is my favorite strip out of the current market. I LOVE Mr. Pastis' treasuries, because he comments throughout and it is fascinating to see a little of how his mind works. I own all of his books and can hardly wait for the new ones to come out. Thank you Stephan Pastis! 1 of 1 people found the following review helpful. Funny! By Nicki B Always great for a laugh. One of my favorite comics for its frank, unapologetic take on real world crap. Also, I love that Rat is an ass and Pig is so stupid. Goat is a nice balance in that he is actually a decent "guy." I like the humor and

that the cartoonist doesn't take himself seriously. 8 of 9 people found the following review helpful. YOU WON'T GET BURNED BUYING "PEARLS GETS SACRIFICE"! By JD Willis III They may burn Stephan Pastis at the stake, but they'll never kill PEARLS BEFORE SWINE! This treasury, with commentary by Stephan Pastis, solidifies why this comic is the funniest strip today. The well-known cast of characters delivers day-after-day some of the most creative comedy in the genre. If only a fourth of the comics in newspapers were half as funny as PEARLS, the industry would be thriving. Thank goodness these comics are also available in these books. They will live on forever because brilliant comedy never dies. This one is terrific.

The Pearls Before Swine gang is back in this treasury-sized edition, complete with Stephan Pastis's insightful and entertaining annotations. True to Pearls Before Swine tradition, the latest cartoon collection brims with Stephan Pastis's cynical humor, sharp wit, and clever commentary. Always together and sometimes with their fellow funny-page characters the regular Pearls clan weighs in on everything from modern technology to current events to human nature. All the members of the skewed gang are here as Zebra engages in a never-ending war of neighborly hate with the Crocs. As always, Goat offers a voice of reason amid the ongoing chaos that Pastis creates, either from behind the pen or as a character within the strip itself. Pastis's latest collection is sure to add to the funny-page phenomenon, giving Pearls fans more of what they know and love: satirical logic and hilarious wit. Includes all cartoons from the collections *Breaking Stephan* and *King of the Comics*.
