Stephan Pastis : Pearls Hogs the Road: A Pearls Before Swine Treasury before purchasing it in order to gage whether or not it would be worth my time, and all praised Pearls Hogs the Road: A Pearls Before Swine Treasury:

Although I'd love to have a complete Pearls collection, I've learned to hold off on the smaller books and wait for the Treasuries, since they include the same strips and the comments. Another great cover, by the way, and fun outtake pictures on the inside covers. Is the attractive young lady on the cycle Staci? If she isn't, now we know why Staci left the cartoon version of Pastis.p.s. Hardcore Pearl fans might also wonder if the dude in the door is Emilio.3 of 3 people found the following review helpful. Great for Young, Old, or REALLY Old!By anonymous Can't ever go wrong with Pearls Before Swine. Bought this for my mom's 88th birthday, because, well, why the heck not?P.S. She loves it.0 of 0 people found the following

review helpful. Certainly one of the most consistently funny and original comic strips ever. By John M. Geoghegan. How can you not revere Rat, Pig and the rest of the Stephan Pastis menagerie? Certainly one of the most consistently funny and original comic strips ever. Just unparalleled in its dark edgy humor--always done with a wink and with tongue firmly in cheek. 5 stars are not nearly enough.

Move over! Pearls Before Swine is back and badder than ever in the new treasury collection Pearls Hogs the Road. The Pearls gang returns with characteristically misanthropic humor (but with more leather): no self-aggrandizing is too flagrant for Rat, no subject is too erudite for Goat, and no sensory input is too basic for Pig. All topics are fair game for Stephan Pastis and his brass-knuckle punch lines. Comic strip censors, apathetic baristas, and IRS employees are all strongly advised to laugh or get out of the way. Pearls Hogs the Road also features three comic strips illustrated by the legendary Bill Watterson of Calvin and Hobbes, who ended a 19-year hiatus from the comics page to collaborate with Pastis.

"If you like puns, self-deprecating humor, and comics that break the fourth wall, Pearls Before Swine should be on your shelf. Or-- in our case-- always on the dining table, open to whatever page my daughters happen to be on." (GeekDad) About the Author Stephan Pastis is an attorney turned cartoonist. A graduate of the University of California, Berkeley, and the UCLA School of Law, he worked as a lawyer before trying his hand at cartooning. Pastis lives in the Bay Area with his wife and two children.
