whether or not it would be worth my time, and all praised Pickup Lines: The Ultimate Book of Pickup Lines. Over 200 Funny, Clever, Cheeky and Adult Pickup Lines and Comebacks (Humor of the Funny Kind) (Volume 1):

They are slightly funny because of the shock value, but nobody should be saying these to another person. They are awful. I bought this for a 70 year old customer that likes to use a funny pick up line every time he sees me, so I'll definitely be buying a new book unless I want him saying "I hope you like dragons, because I'll be dragon my balls across your face tonight", "I wish I was toilet paper so I could touch your bum hole", " "Do you like pudding, because I'll be pudding this D\*\*\* in your A\*\*" or "Do you like long cocks on the beach?". If you want a good laugh for yourself or need some new sexual harassment lines, buy the book.

Pickup LinesThe Ultimate Book of Pickup Lines. Over 200 Funny, Clever, Cheeky and Adult Pickup Lines and Comebacks So, you want to brush up on your pickup lines? Well at Puma Pants we have got your back. We know what its like to approach a nice piece of crumpet, only to realize that you have nothing to say and to just end up standing there awkwardly looking at her chesticles. We are also fully aware this this book is great for reading while youre honking out a dirt snake. So if it ends up being kept in the toilet, fair enough. We have come to terms with it. We have also made sure the pages are as non-absorbent as possible, so if you run out of toilet paper you couldnt use this book as a makeshift ass wipe even if you want to. Anyway, get reading and lets get on with making you into a complete studly dreamboat!
