We laughed for hours reading through it with friends. It was great for people who can laugh at themselves! i think the newer versions are more pc which makes them merely amusing.0 of 0 people found the following review helpful. FUN READING!By KonaKaiKai808I bought this book for one of my "mainland" cousin...trying to bring her up to par! Lol! It's a good book and the illustrations are funny. It's a great book for those who visit our islands frequently or those who plan to visit for the first time and want to brush up on the lingo. You want to be able to come here and not leave this place wondering what the heck we were saying to you! Lol!0 of 0 people found the following review helpful. Upon publication twenty-five years ago, *Pidgin To Da Max* became a best-seller and remains one today, with over 200,000 copies in print. The sequel, *Pidgin To Da Max Hana Hou*, also became a best-seller. The anniversary edition combines the words and illustrations in those two collections in a paperback format.
